1965 FALL SUPPLEMENT From **F. H. HORSFORD NURSERY-INC.**

VERMONT'S OLDEST NURSERY

Right now is an ideal time to think about those plants, evergreens, shrubs, and trees that are best planted during the fall planting season starting in early September or late August. This list is a supplement to our complete catalog mailed early this year, duplicate copies of which are yours for the asking. Just check the enclosed reply card.

IT'S DAY LILY TIME . . . best set out during late summer or early fall

There will be some bloom next summer, more the next. We offer early, midseason, and late blooming varieties — tall ones and short ones and colors without end. Take advantage of our special collection offer, as shown below. Many other separate varieties shown in our catalog.

OUR QUALIFIED STAFF IS READY TO ADVISE YOU IN YOUR LANDSCAPING PLANS

TERMS: Net 30 days; FOB Charlotte or South Burlington, Vermont

Postal charges are added to your invoice. If you send a check with your order please include postal charges, estimated at 20% of total order for shipment East of the Mississippi River; or 30% of the total order for shipment West of the Mississippi. Minimum postal charge—50c.

Lilacs must be shipped by Express collect unless called for either at the nursery or the GREEN TREE Garden Center. Nominal charge for delivery to homes in the Greater Burlington, Vermont Area.

OUR WARRANTY

Our plants are hardy in Northern Vermont under congenial cultural conditions, but need protection against winter heaving from alternate freezes and thaws. We are responsible for filling your order with stock true to name and in good condition. If not received in good condition, complaint must be made at once.

We cannot assume responsibility for cultural failures beyond our control nor for failures due to drought and winter losses.
